

*Growing Communities One Family At A Time*

**ADDENDUM NO. 1**

**March 8, 2022**

**INVITATION FOR BID (IFB)**

**IFB NO. 2022-03**

**RENOVATION OF L.R. PATTON APARTMENTS**

This addendum to subject IFB is a result of a request on March 7, 2022.

**Question:**     **The question is whether or not the units to be renovated will be occupied while the work is being done.**

**Answer:**       *HHA will be renovating the units in phases. Each phase will consist of approximately 20 apartments. HHA will relocate our residents from their units as each phase of buildings comes up on the schedule. So, for instance, in the beginning we will have the buildings in each phase identified and the first phase of apartments will be vacated before the work begins. During the renovation of the first phase of apartments, we will be working to relocate residents in the next scheduled phase of apartments. The apartments to be renovated **will be** vacant at the time of work being done.*

*\* All other aspects of the scope are not affected by this addendum and shall be bid accordingly.*

This addendum forms a part of the Contract Documents and modifies the original IFB. All terms and conditions in the original IFB dated March 3, 2022 remains the same.

***Additionally, your submitted response shall acknowledge the receipt of this Addendum.***
